

Making business travel more fruitful

Dear TMC NAME,

The New Year brings exciting changes to PerksPlus. Coming in March, your customers will see significant improvements to the PerksPlus product. As a registered agency of record for PerksPlus customers we wanted to let you know about just a few of them.

- **United/Lufthansa Offering** – By teaming up, your customers will be able to earn points and request rewards on United and Lufthansa operated flights
- **Earn More** - Based on how customers fly, they have the opportunity to earn more PerksPlus points than ever before
- **Online Access** - Customers have the ability to view travel activity, request rewards and update their profile information online
- **More Rewards** - Additional reward redemption options are available including United/Lufthansa award tickets and upgrades as well as Red Carpet Club Memberships

These enhancements will require no work or adjustments for you or your corporate customers. In addition, as a preferred partner you will continue to receive the superior service to which you have grown accustomed.

There will be regular announcements as the roll-out draws near. In the meantime, the entire PerksPlus team would like to wish you a Happy New Year.

Thank you for your continued support of United and PerksPlus.
